Secretary's Report

Dear Members,

Some of our Club's objectives include promoting health and fitness, as well as environmentalism. We have been working closely with the Yarran Dheran Advisory Committee, organising bush walks and participating in the National Tree Planting Day and Wattle Day at Yarran Dheran Reserve. We are pleased that their advisory committee (yarrandherancommittee@gmail.com) will conduct some birdwatching events in May. You and your family may wish to join our President, Michael Tse, to celebrate a unique and memorable Mother's Day with a guided birdwatching walk on Sunday 10 May 2026 from 9.00 to 10.30 am. Please book via Eventbrite. Booking details are in the attached flyer from Yarran Dheran for your reference.

Collectively, we have raised a donation of 3,300 Australian dollars (converted to HK\$17,129.32) for the Tai Po Wan Fuk fire appeal of the Hong Kong Fire Services Welfare Fund. We have attached the receipt and commendation from the Hong Kong Fire Services Department.

We are also attaching the results of the activities survey initiated by Samuel Kwok and digitized by Peter Hui.

We will be celebrating Mother's Day on Monday 4 May 2026 from 6:30 pm for 7 pm start at the Golden Dragon restaurant. All participating ladies will receive a small gift to mark the special occasion. Please join us for a sumptuous meal, good company and a wonderful evening.

Best Regards,
Maria Hui

Hong Kong Club Activities Survey 2026

Peter Hui – Vice President

The club has successfully organised a variety of activities in the past, including Tai Chi, Karaoke, Line Dancing, and many others. However, due to the rising cost of hiring venues and the difficulty in securing consistent volunteers to run these sessions, we must be highly selective when planning future activities.

Conducting a member survey is a logical next step. Traditionally, this would involve distributing paper forms, asking members to complete them, take photos, and email them back — a process that can feel burdensome and discourage participation. On top of that, someone would then need to manually process the emails, enter the data into Excel, and analyse the results.

Having been responsible for modernising the club’s website over the past five years, I decided to develop a fully online, paperless survey form hosted directly on our website. Members have reported that the form is simple, user-friendly, and easy to complete on a mobile phone in just a few minutes. Best of all, responses are automatically collated by the backend system, eliminating the need for mailing, photographing, or manual data entry.

Members were asked to click any number of hearts, 5 = Most Interested and 1 = Least Interested. There is also a tick box to indicate If they are willing to volunteer to help. See sample below.

2. 卡拉OK唱不停 - Karaoke *	義工 Volunteer to help
	<input checked="" type="checkbox"/> Yes
3. 中國象棋 - Chinese Chess *	義工 Volunteer to help

On Saturday, 21/02/2026, our Secretary, Maria Hui, emailed all members inviting them to participate. The first response arrived just 16 minutes later at 2:13 PM. During the Chinese New Year Dinner at Golden Dragon Palace, I also shared the survey’s QR code with attendees and encouraged them to complete it while waiting between courses. Several members did so with ease.

To date, we have received a total of 22 responses. The final results are as follows.
